  - (e) "The secret of Rousseau's doctrine is found in the substitution for a sovereign of the sovereign. His sovereign is the 'general will', and he is perfectly ready to apply to all the sweeping attributes which Hobbes delivers to his 'one man or assembly of men'. It is one and indivisible, inerrant, indestructible, omnipotent." (*R. M. MacIver*)
2. Critically evaluate behaviouralism in terms of tools and techniques of political inquiry, theory-building and contribution to an inter-disciplinary approach.  $30$
